

## ANNOUNCEMENT

### Erasmus+ Project Harmonization and Mutual Recognition of MSc Programs in Occupational and Environmental Health (HARMONEE) 618829-EPP-1-2020-1- IT\_EPPKA2-CBHE-JP

State Educational Institution “Avicenna Tajik State Medical University” brings to your attention that in the autumn of this year, the Erasmus Plus HARMONEE project in the framework of bilateral cooperation agreement organizes an international summer school which is going to be held in one of the project country institution.

Interested candidates are encouraged to undertake the followings:

#### **Step 1: Eligibility of participation.**

Candidates are required to meet the following qualifications:

- Relevant BSc and MSc education in e.g. Global Health, Public Health, (Veterinary) Medicine, Ecology or Environmental Sciences
- Tenure with the university
- Proven experience and interest in development of education and training

#### **Required documents.**

Proposed candidates provide the selection committee with

- CV
- Motivation letter indicating the type of module (educational module) they would like to develop

**- Deadline for step 1: June 23**

**Step 2:** Selection committee (by the coordinator of the project - University of Milan) will organize online meetings with groups of candidates to check their proficiency in English, **in the week of July 5-9**

**Step 3:** The selection committee will make a decision based on CV, motivation letter and performance during online meeting (assessment form to be developed for transparency)

Interested candidates are encouraged to contact international relations department of SEI “Avicenna Tajik State Medical University” to the focal point of the project Mr. Khuseyn Egamnazarov for detailed information about the summer school.

All required documents should be sent to this email: [interdep.tsmu@gmail.com](mailto:interdep.tsmu@gmail.com)
